As you know, the fall-winter-early spring season is when we earn money that helps to keep the chapter and the chorus running throughout the year. We don't do car washes or bakes sales, WE SING." The performances provide a great place to show off our talents to family, friends, neighbors, co-workers, fellow church choir members and anyone else who appreciates good music and the fun of seeing you do what we do.

More detail will be forthcoming such as call times, song list, ticket pricing and so-forth, but know that your participation is key to this plan. Help by signing up to sing in a Valentines quartet during the period when we'll be presenting them to loved ones. It's easy and it's fun. You also can help sell the Singing Valentines by letting people know they are available.

When the Beatles-themed March shows come up plan to be on the risers and sell as many tickets as you can so that we are singing to appreciative full houses. Also be on hand every Tuesday night and work at home to learn the music that will make the show one to be remembered.

The Phoenixians are back! and we want you to be part of the resurgence.

Your job: Learn these

Treat our new meeting hall with respect

If you haven't seen the new rehearsal hall you'll be impressed by how well it suits us, including a high, hardwood ceiling that adds to a great sound.

We have a very favorable rental fee but with it goes some requirements on our part to continue to make the hall available to us.

They'll be explained to us Tuesday night but the main requirements are that we bring no food or drink (except for bottled water) into the hall, that we return it to the layout of chairs, etc. that it had when we arrive and that we use the far left door, not the glass doors immediately outside of the meeting area. Also note that all doors will lock automatically at 9 p.m. but anyone arriving after that time can knock on the door for entrance.

We think you'll like our new setting and will be happy to meet the church's requirements.

Happy Birthday
